# On the go with the Bedfords

## Hearing Gods Voice... (by Joe)

### Pray with us:

- We thank God for a wonderful week of teaching at the YWAM base in Guatemala City.
- Pray for our preparation to teach again next week. Our topic is the Father Heart Of God. Time to prepare is very limited, we need God's grace, strength and wisdom.
- For Miriam and Juan Carlos, pastors in another town: health and finances for them and the church. We also pray for a piece of land and supernatural provision
- New strength and health for us
- Finances for the different ministries

"I see you hiking through the woods with a heavy backpack on. You look tired, but happy." Daniely shared this impression as the students and staff prayed for Karin and me. It was Friday, and we had spent the whole week teaching for our Discipleship Training School (DTS) on "Hearing God's Voice," and we were both very tired.

I smiled as I listened to Daniely; God is so good! Karin and I worked hard to prepare, and the teaching week went really well. The students learned a lot and immediately put what they learned into practice. Daniely's impression was so accurate—I was really tired, and the week felt like a burden, but I gladly carried that heavy backpack! Daniely also didn't know that I enjoy hiking. Thank you, Lord Jesus!

It was also a week where Karin and I took time to listen to God's voice—for the students, of course, but also for ourselves. Sometimes we get so busy that we don't make enough time for that. His presence and His voice deeply touched and encouraged me.

us. They demonstrate that although we soon come to the limits of our skills or abilities, our good Father in Heaven generously gives what we lack!

**Every good gift and every perfect gift is from above, coming down from the Father of lights, with whom there is no variation or shadow due to change.**

James 1:17 (ESV)

Thank you all for your prayers and encouragement. You are a gift from God to us and we are so grateful for you!

Karin and Joe

We just got word yesterday: something didn't work out, so the DTS needs us to teach again next week. This time, we will be discussing the Father's heart of God. Please pray for us, as we have even less time to prepare this time! Weeks like these show us that challenges are good for

## Praising Your Creation (by Karin)

We spent two days at the seaside with all our employees. It was lovely, but incredibly hot and tiring; the heat always makes me sleepy quickly. But simply admiring the sea and watching the waves is absolutely wonderful! God's creation is truly amazing.

The heavens extol the glory of God, and the vault testifies to the Creator's hand. Day after day it pours forth water, and night after night it gives forth its revelation...The law of the Lord is perfect; it gives new life...The commandment of the Lord is pure; it gives clear vision...May the words I speak and the thoughts I make please you, O Lord, my Rock and my Redeemer. (from Psalm 19)

And as I gaze out at the sea, I praise my God for his wonderful creation; he made this earth. I rejoice in the waves, the water, and the sand. Here in Guatemala, the sand is completely black, and it's extremely hot at midday. The clouds drift by, and the scene changes rapidly. God, you are so great; I cannot fully comprehend your greatness and power. You are my God, and I will praise you all my life. Your goodness never ends, and your presence is always there.

Thank you for your prayers and support!
