Area of Ministry: Church Planting and Leadership Development Internationally

DCPI Global Vision Summit

THEREFORE WE GO 

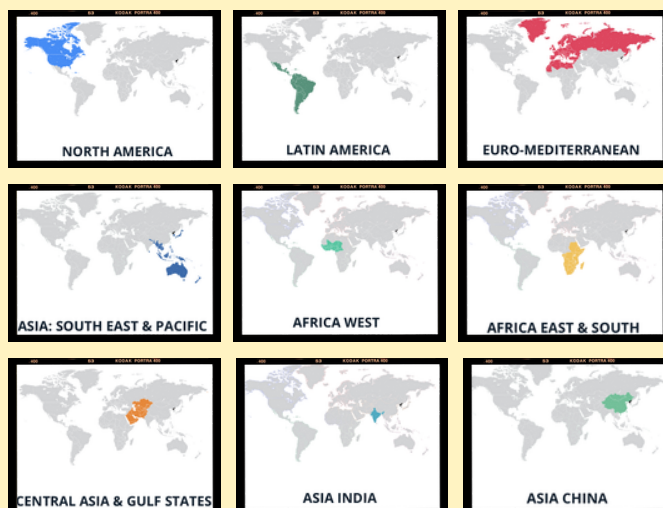

“Therefore We GO” – that was the theme of the DCPI Global Vision Summit 2026.

Every four years, leaders from different World Zones and cultures come together at the DCPI Global Vision Summit to seek God, learn from one another, share vision, and shape the future of church planting together.

From August 19-21, 2026, I had the privilege of being part of the Summit at North Coast Church in Vista, California.

The Summit was marked by worship, prayer, inspiring messages, and powerful reports from the different *World Zones*

Overview World Zones

What moved me most was seeing how different the challenges are in each region, and yet how deeply we are connected by a shared vision.

INTERNATIONAL

One important takeaway from our DCPI Global Leader, Scott Kirk, was inspired by the story of Nehemiah and the rebuilding of the wall in Jerusalem. For me, it centered around the question: “What is our holy burden?”

This question made me reflect anew on what God has placed on my heart, what He has given me a passion for, and where He is calling me to take responsibility.

Another special part of the Summit was the **Synergy Sessions**. As the Euro-Med team, we had the opportunity to connect and exchange with the ASEP (Asia South East Pacific) team and the Africa team.

At the heart of these conversations was the question of how we can benefit from and learn from the experiences, strengths, and opportunities of the different World Zones. This exchange once again showed me how valuable international collaboration is and how much potential there is when we share our experiences and resources with one another.

Topics such as **generational leadership**, multiplication, and leadership development also particularly resonated with me. How can we pass on responsibility, invest in and empower people, and ensure that the vision reaches the next generation? The reports from regions such as India, Nigeria, and Pakistan, where Christians face persecution, made me reflect in a new way. I was deeply moved by how many church planters and Christians are willing to give everything for the sake of God’s Kingdom.

Looking back, I am deeply grateful for this special time – for the many encounters, meaningful conversations, different perspectives, and the shared spiritual focus. I am taking home new inspiration and motivation, along with the question: What does God want to multiply through me and my ministry in the season ahead?

A Big Thank You

For me, the DCPI Global Vision Summit was so much more than a conference. It was three days of encouragement, fellowship, prayer, and a fresh sense of new beginnings. I am excited to see what will grow out of all that we experienced and received together.

Finally, I would like to extend a heartfelt thank you to Gen and Karen Willis, who graciously welcomed us into their home during our stay. They were a tremendous blessing to the four of us from the Euro-Med team and received us with so much love and warmth.

Whether it was during outings together, restaurant visits, or their Sunday family gatherings, they made us feel truly welcome and at home.

How You Can Get Involved

Prayer

1. For more DCPI training opportunities across Europe and the Mediterranean region, so that even more people can be reached with the Good News through church planting.
2. For the School of Ministry – for the students, that they would be equipped, grow spiritually, and be strengthened with perseverance.

Support

- If you would like to support my ministry financially or through practical help, please feel free to get in touch.

"Your word is a lamp to guide my feet and a light for my path." (Pslam 119:105)

Would you like to support me financially? Thank you for your donation!
