

# UPDATE FROM CAMBODIA

*Kimleang & David Harst*

*December 2025*

## THANK YOU!

Dear friends and family,

We are truly grateful for all your prayers and support over the past year. It has been our most challenging year to date, marked by multiple military conflicts in our country, accidents, and unexpected changes. But through all of that, we can see the goodness of God. He is in control of everything, and nothing happens outside of His knowledge. He created us for relationships and community, so we are blessed to have all of you in our lives as we share together in the mission God has called us to in Cambodia.

Thank you!

## THE BORDER CONFLICT

You probably about the military conflicts between Cambodia and Thailand. Our nation is suffering, and the second round of fighting was a lot worse than the first. In Cambodia, about half a million people were living in refugee camps, and even close to our home, in Battambang City, Thai fighter jets dropped bombs about 100 km away from the border.

Currently, there is no more active fighting, but there are thousands of destroyed homes in Cambodia, and multiple villages can't go back home because the Thai military has moved the border with barbed wire and containers.

Please continue to pray for this situation.

## NEW LIFE

Amidst many challenges, there are also many blessings for which we want to thank God. We are excited to share with you that we are 13 weeks pregnant! We are grateful for this blessing of new life and are excited to become parents.

## DAVID TEACHING & TRANSLATING IN THE BIBLE SCHOOL

David is enjoying his role as a new teacher in our bible school. We are currently in the last three months and focus on the old testament prophets. He is also growing into the role as a translator.

## KIMLEANG PUBLIC SPEAKING & TRANSLATION

Kimleang has been speaking and translating a lot on stage at the end of 2025. Next to that she is also helping out in our Bible school as a translator.

## Prayer requests:

- David's mom got into a bad car accident a couple of weeks ago. Please pray for healing and endurance for the recovery process once the surgeries are all done.
- Peace between Cambodia & Thailand, that everyone can go back home and for the rebuilding process.
- Pray for protection and health over our baby and Kimleang.
- Strength for the first quarter of 2026 as we feel the weight of everything that happened in 2025.

God bless you,  
Kimleang & David
