

UPDATE FROM CAMBODIA

Kimleang & David Harst

July 2025

NEW SEASON

Dear friends and family,

We are truly entering a new season in our journey as missionaries. As many of you have heard, we have switched our mission-sending organization in Germany and are now part of Globe Mission. In Cambodia, we continue our work on the same YWAM Campus, but in new roles.

Our time in Germany was amazing! We cherished the opportunity to spend quality moments with family, meet new relatives for the first time, and connect with our ministry partners. This year, we felt particularly encouraged by the growing number of people who love to stand with us and support our mission. Your support means so much to us!

KIMLEANG'S NEW LEADERSHIP ROLE

Kimleang has started a three-month training for her new role as Campus Administration Leader. During this time, she is gaining insight into various positions, including that of a finance cashier, which will enhance her understanding of the roles of the people she will be leading. Many staff members are excited about her assuming this position.

In addition, she has followed up with several young women she is discipling and is eager to return to the village to participate in the slum ministry.

DAVID THE BIBLETEACHER

First week of Bible school, getting to know each other.

David has begun his role as staff with our nine-month School of Biblical Studies, and he is enthusiastic about this season of teaching the Word of God. This year's school has a total of 21 students: 14 Khmer and 7 internationals from the United States, Brazil, Indonesia, and Papua New Guinea.

In his role, David primarily teaches various books of the Bible, translates teachings from Khmer into English, and grades student assignments. Additionally, he is walking alongside the students in their learning journey.

We shared in the youth group (50 youth) about relationships and dating.

Prayer requests:

- That we both are able to adjust quickly in our new roles and teams.
- That God will transform the lives of the 21 bible students in the next months
- That the tensions between Cambodia and Thailand don't escalate
- We've already raised **\$7,500** for our car. Please pray that the remaining **\$2,500+** will come in soon and that we find a good, drivable car.

God bless you,
Kimleang & David
