UPDATE FROM CAMBODIA

Kimleang & David & Jannina Harst *October 2026*

FAMILY IN MISSIONS

Dear friends and family,
A lot has happened since our last update.n The most life-changing was the healthy birth of our daughter Jannina on the 22. July in Phnom Penh. She is already three months old, and we are finally finding a new rhythm as a family. The nights are more interrupted and the days are busier, but we are so grateful to be parents, as you can see in the pictures on page three of our newsletter.

A NEW 9 MONTHS BIBLESCHOOL

Our new Bible school just finished the first three months, and David is enjoying walking alongside a new group of students and working in a new staff team. He taught the book of Hebrews and is actively involved in translating for different Cambodian teachers.

We were for Jannina's birth at the hospital when the class picture was taken, so David is not in it.

BACK INTO LEADERSHIP

Over the last year, David was approached to step into different leadership roles on our campus. After a longer time of prayer and many conversations, we felt it was the right time for David to step back into leadership.
Starting in November, David will be part of our Department Leadership Team, leading the everyday on our campus. In this role, he will oversee ministries such as SALT (the soccer ministry we led before), YDC (our English school), Cornerstone (our primary school), Who am I (our campus coffee shop), and the Gym and Sports activities on campus. All those ministries already have great leaders; David will support them as needed and follow up on applying campus goals in each ministry.
In March next year, after this year's Bible school ends, David will be full-time in that role; until then, his main focus remains his staffing in the Bible school.

GERMAN GRANDPARENTS VISIT

In the Japanese coffee shop with the German grandparents.

Cambodian and German family meeting in the village.

Kimleang comes to campus multiple times a week to join different activities. This is her small group that meets every Friday.

David teaching Hebrews.

Prayer requests:

- Strength and wisdom for Kimleang as she focuses on being a full-time mom for Jannina while also joining different activities on campus.
- Strength for David, as his ministry and study schedule will be very busy over the next six months.
- We are planning to come to Germany for a family wedding at the end of March next year. Please pray and consider giving for our plane tickets we don't have the finances for that yet.

God bless you,
Kimleang & David & Jannina
