Fruitful September!

Dear friends and family,

September was an intense and beautiful month, filled with church trainings, outreaches, evangelistic camp trainings, and a powerful media campaign called [30 Days of Breakthrough](#). (tap the text to watch the whole series of breakthrough).

I'd love to share some key testimonies from my ministry, and to thank each of you for being part of this journey. **It is a privilege to run with you. I especially want to thank every financial partner and everyone who held me in prayer. Your dedication and sacrifice are the engine of this ministry, and it would not be possible without you.** Your love, prayers, and commitment to the Lord mean the world to me.

I pray that God blesses you abundantly as you read these testimonies, and that He stirs your heart for what He is doing in Germany and beyond.

Decisions that affect eternity

After one of the Oktoberfest outreaches, as the team was heading home, I felt **an urgency to share the Gospel** with a young woman. She turned out to be a pastor's kid who had drifted away from the Lord. As I shared, I could see **conviction in her eyes and her desire to return to God**.

I asked if she was willing to surrender her life to Jesus. **Without hesitation**, she said **"Yes,"** and prayed with me, recommitting her life to the Lord.

Tears streamed down her face and she couldn't stop crying. **She was so grateful that God was welcoming her back as a prodigal daughter**. She even said she didn't know why she was crying, but it was clearly **the Holy Spirit touching and changing her heart**.

Powerful one to one conversations.

In six days, the three of us on our team shared the Gospel with about 136 people, and **7 made a decision for Jesus**. Across the whole outreach group, we reached over **1,000 people** through one-to-one conversations in seven days.

This month we also **equipped 41 believers** in discipleship and evangelism, and we are already seeing dozens come to Christ through those who were trained!

*"for the Son of Man has come to **seek** and to **save that which was lost.**" – Luke 19:10*

Two precious souls being prayed for and one of them receiving Jesus!

This picture is from Fire Camp, where **students learned how to share the Gospel** one-to-one and in open-air settings. It was powerful. Many preached publicly for the first time, and God moved, touching many through the Gospel and their testimonies! 🙏

*"For this is good and acceptable in the sight of **God** our Savior, who **desires all men to be saved** and to come to the knowledge of the truth." – **1 Timothy 2:3-4***

The boldness to preach the Gospel!

It was amazing to watch **the Lord transform the students over six days**. They grew in boldness, in hearing God's voice, in their identity, and more. I believe many had life-changing encounters in God's presence (I did too!).

*One student preaching the Gospel in **boldness**!*

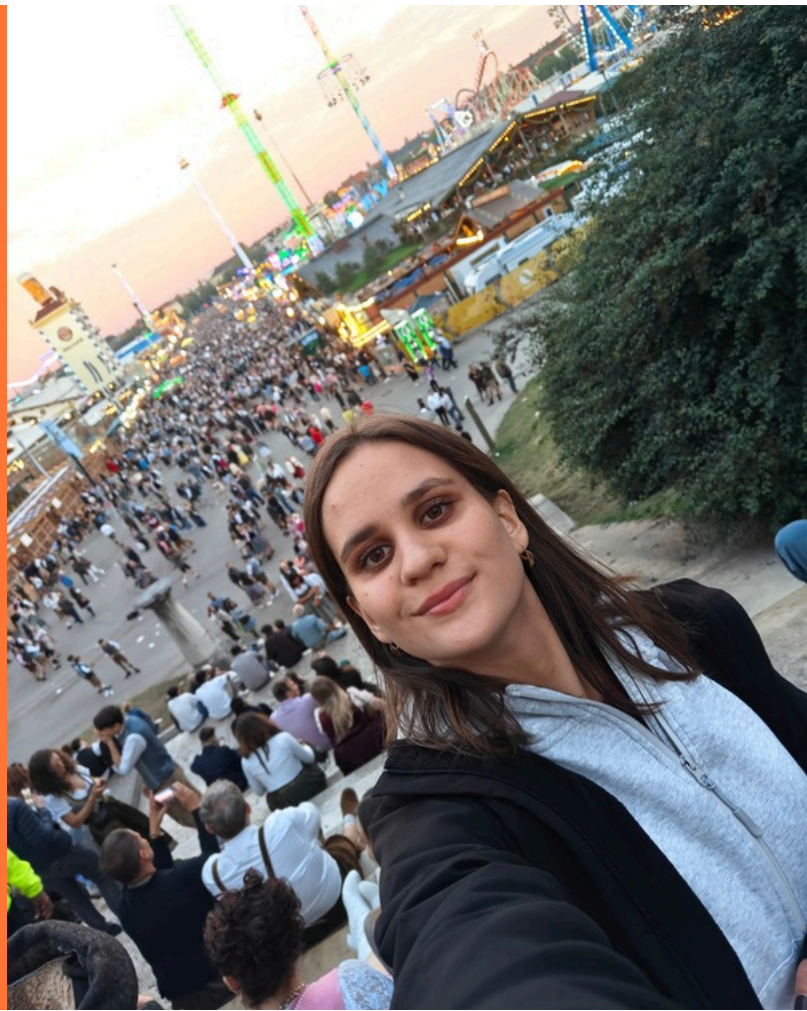

Thank you!

First and foremost, I want to thank each one of you who makes this possible.

I am so grateful for your support, prayers, and devotion. May God bless you a hundredfold for every financial seed you've sown. Those who sow in tears will reap with joy!

Let us keep building His imperishable Kingdom with our perishable hands.

Yours,
Marianna
