### HEALTH

My operation for a double hernia was a success. I have had to rest these past couple of weeks, which I found hard to do. Because I am on blood thinners the healing is actually taking longer than expected. But I have not wasted this time as I have been producing teachings of End Times Prophecy. There is so much precious information in the Bible, and, in fact, a third of the Bible is made up of this subject. Someone once asked me how I manage to get through so many operations and sicknesses and still pray for the sick. A few years ago,

the Lord gave me a word which I now treasure: "Give me your heart my son, and keep your eyes on my ways."

**Proverbs 23;26 ISV.** That's exactly what I do; I keep my eyes on the One I love so much.

Please pray for our pastor Juan Carlos who also is recovering from an operation that nearly took his life. He had a blocked and twisted intestine. Like me, he is back in the church, but taking one day at a time.

### HELP WITH RENT

Our church has not fully grown to a size to financially support our pastor Juan Carlos who needs to pay monthly rent. If you would like to help, please send your donations to the address below marked "Juan Carlos".

### PROJECT LAURA

The good news is that with your donations we have been able to completely refurbish Laura's house and make it livable. The floor has been concreted, the roof replaced, new electric wiring throughout the house, a

chimney over the place she cooks, and also new clothes. Laura sends her thanks to all who have helped her. Most important of all, the Gospel has been shared with her, and she is now in the church.

## CHURCH

My heart is for evangelism, and winning souls for the Kingdom of God. I am currently putting together a seminar on "How to Evangelize," Hopefully, our church members will catch the vision so that it becomes part of their daily lives to share as if there is no tomorrow.

## PRAYERS

1. For a mission couple to hear the call, come and join me here.
2. My health.
3. For safety. Guatemala has a great problem with the Narcotic Mafia.
4. Funds needed to pay for my operation.

God bless you all
