April 2023

ALEX CRUZ

It is with great joy that we have our first short-term missionary from our church! Alex is a young man who has had the call from the Lord to share the gospel with the youth in other countries. He lost his paternal father when he was only seven years old, and that turned him against believing in God as he couldn't understand how a loving God could take his father from him. At the age of seventeen, Alex had an encounter with the Lord who filled him with His love and told him that He was now his Father. It was the beginning of a wonderful relationship and a couple of years later Alex attended various courses with the local YWAM in our town where he now works with them. Alex has already

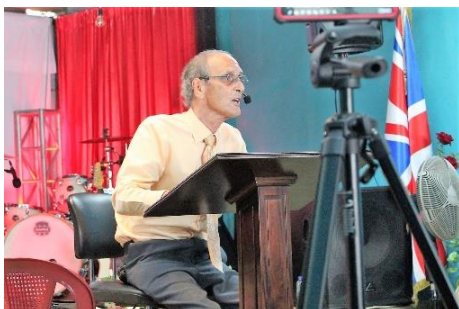

visited Columbia and next month will go with a team to Spain. He still continues with our church and I am so proud of him.

VISIT BY KINGSLEY ARMSTRONG

The Director of International Gospel Outreach (IGO) in the UK (of whom I am a member) visited me this month. It has been a number of years since his last visit because of covid restrictions so it was wonderful to see him again. The meeting for last year had to be cancelled at the last minute due to covid in the house. Kingsley is an incredibly busy minister and visits many countries in the world sharing the Word, so I am grateful for him taking the time to visit and encourage me.

EVANGELISM

I continue to share the importance of personal daily evangelism with our church members, and it has been quite challenging for me to preach in Spanish. Even after many years in this country, although I speak Spanish fairly fluently, preaching in Spanish direct from my heart is difficult. But each time with the help of the Holy Spirit I am improving and I am sure it keeps me humble! I just LOVE going shopping, there are so many people walking about that I can share Jesus with.

KAREN AND PARENTS

Thank you, my brothers and sisters, who have sent donations, to help purchase medicines for Karen who is suffering from leukemia. One day I visited her parent's "house" and was amazed at how they managed to live in such a small one-roomed corrugated-roof house. They were embarrassed when I entered their house as it was almost empty of any furniture, as they had sold their cooker, refrigerator, sofa and other household articles to pay for the medicines for Karen. On top of all these things, the roof had holes in it. Karen was sad that day as her rabbit had disappeared, so I bought her a new one. It was worth it to see the smile on her face. It is a distraction for her from the continuous pain that she suffers. We don't know how long Karen is expected to live, although her doctor has given her anything from a few weeks to three months, I know God can do a miracle, and that is my prayer. I also took the decision to immediately commence construction of a concrete roof for the house before the rainy season commences very soon. If you would like to me purchase medicines for Karen and some basic household furniture for her parents Eddy and Anna then you can send your donation to one of the addresses below marked "Project Karen." Thank you in advance.

Karen wanted her photo with me!

With her new rabbit.

Undergoing treatment

Work has started to build a cement roof to protect Eddy, Anna and Karen from the heavy rainfalls soon to begin.

PRAYERS

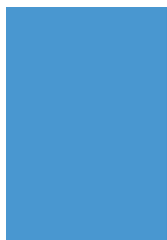

1. For a mission couple to hear the call, to come and join me here.
2. My health
3. For safety. Guatemala has a great problem with Narcotic gangs.
4. Funds needed for **"Helps Fund"** and **"Project Karin."**

God bless you all

Jeff Mills
