KAREN AND FAMILY

Since my report last month on the condition of Karen, God has truly answered prayers! Karen had been moved to a hospice as her condition had worsened, but the prayers of many people surprised the medical staff. She started to make a miraculous recovery and within two weeks she was playing in the hospice garden with the nursing staff! In these past ten days she has been allowed home and is happy to be with her parents and brothers and sisters. She still has some pain, but it is manageable now, and I believe God has given her parents some more time with her.

The repair to their tiny house is almost completed, and with the help of your donations they have been able to build a concrete roof and a second floor where Eddy can carry out his work as a carpenter. They have also been able to purchase a refrigerator which was a big need in this very hot weather that we have been having. Both Eddy and Anna have asked me to pass on their thanks and prayers for all you have done for them. It has really made their faith grow stronger, even in the pain of their daughter.

CHURCH

Life goes on in the church as I continue to teach on the importance of personal evangelism, and being the number one reason we are here on this earth, to share the good news with those who do not have a personal relationship with Jesus Christ.

EARTHQUAKE AND VOLCANO ERUPTION

Things are sure hotting up in these end days! This month Guatemala suffered a 6.6. earthquake which miraculously caused little damage and no loss of life. Two days later the Volcano Fuego which blows regularly just about every day, gave an enormous eruption. I prayed this would not be a repeat of 2018 when over 2,000 lost their lives. After a few hours it calmed down again..... until the next time!

HEALTH

This month the pain in my legs had increased to an unbearable limit, so a few days ago I had a procedure under anesthesia of infiltrations into my spine. Three days bed rest at home, and I already feel a big difference. I still need to take one week away from my ministry and then hopefully I can get back to being a facilitator.

PRAYERS

1. For a mission couple to hear the call, to come and join me here.
2. My health
3. For safety. Guatemala has a great problem with Narcotic gangs.
4. Funds needed for "Helps Fund."

God bless you all
