A NEW CHURCH?

A couple of months ago our church commenced a new home group in the neighbouring town Jocotenango. The group has already grown to over 30 people in just a few months. This is exciting, as I never thought at my age and health that God would continue to use me to plant another church. It is only by His grace and mercy. We have placed a solid teacher from our current church in care of the newly saved members, and we have been holding church services on Sunday afternoons. Exciting times for sure.

TEEN GROUP

Our teens meet every Saturday afternoon and go out as a group each month to evangelize in our town. They have a wonderful zeal to see people saved and brought into the Kingdom of God. They are certainly outnumbering us "oldies," but that makes me very happy to see this present generation have such a hunger to share Jesus Christ with the lost. At present I am sharing written teachings from the Book of Revelation.

HELPS FUND

With your donations I was able to help this young couple. Wilfredo's wife, Esperanza who was about to give birth to their first child. The national hospital is a complete disaster, so I was able to place her in a local private hospital that gives me a decent discount for any patient I bring to them. As you can see from the photo, Esperanza gave birth by cesarean to a beautiful baby girl called "Arleth Eloise." The couple asked me to pass on their thanks to you all.

HEALTH

My health has had its ups and downs this month, and I have been suffering with pain in my right lower leg and foot. At the time of writing this I am due to see a new pain specialist who is a Christian and wants to see me without pain. Please don't get me wrong, I am still, and always will be a believer in miracles and healing. I want to thank you all for your financial and prayer help in purchasing medicines for my pain. What a great God we have.

VISIT

This month I had a visit from two close friends, Martin & Nancy Sprenger from Iserlohn, Germany. I have known the couple for many years. Nancy used to live in a house nearby my house, so it was no surprise to me when Martin asked if he could stay at my house! Love works in many ways!

PRAYERS

1. My health and medicines.
2. A microbus
3. For safety. Guatemala has a great problem with Narcotic gangs.
4. Funds needed for "Helps Fund."

God bless you all.
