Jan 2024

HAPPY NEW YEAR

The new year is a time to reflect on the old year and look forward to the challenges of the new year, but in truth my hope is not in the new year, but my hope is the One who makes everything new. I pray also He will meet all your needs. I want to thank all my supporters both financially and prayerfully for the past year and look forward to having contact with you in 2024.

CHRISTMAS FOOD BASKETS & GIFTS

This December we were able to distribute 20 food baskets to families in need, and each member of our Youth Team. Thank you to everyone who helped to make this possible. Here are just some of the photos taken.

CHILDREN'S CHRISTMAS GIFTS

For the children of the church this was their highlight of the year -the presenting of Christmas gifts made possible by you, my supporters. It was a very emotional time to see the children's eyes light up being presented with their gifts. We told them not to open their presents until we had taken a group photo of the children but I had to smile as I saw some children who just could not wait!

EVANGELISM

Our newly planted church, "Dios de Remnant" was involved in an evangelistic outreach in a very poor area of Antigua. They met in a wooded area where Pastor Manuel shared the gospel followed by worship songs. People living nearby came out of curiosity and later participated in the Sunday service where some of them accepted Christ as their Lord and Saviour. Doesn't that make your heart warm?

Sharing the Gospel

HEALTH

As from the above photos you can see I am still in a wheelchair as I find it painful to walk on my right foot which has been affected by damaged nerves in my back. To make matters worse I now have an incisional hernia which will be operated on this month. The time is short, and the devil is throwing everything at me, but he is a loser as I will not allow him to dictate my mood. I would be grateful for your prayers.

PRAYERS

1. For my operation.
2. For my overall health.
3. For my Support in Finances and Prayer.
4. Pastor Juan Carlos' medicine.
