**September 2023**

*Then I heard the voice of the Lord saying, 'Whom shall I send? And who will go for us?'  
And I said, 'Here am I. Send me!' Isaiah 6:8*

**Dear friends!!!**

God's commission should actually be our greatest privilege. Yet we feel just like the people in the bible:

We have many concerns:

My rhetoric is insufficient (Moses)

I am too insignificant (Gideon)

I am too young (Jeremiah)

I am unprepared, others know better, I am not talented, anxious or just "later".

Fact is that God continues to speak to us – in every season of our lives! Our responsibility = **availability**.

May we take a new look at our lives and make ourselves **available** to God.

**As a family** we considered a three day rest a gift from God (Filip cannot handle more than that in a new place) right after our 35<sup>th</sup> wedding anniversary in the middle of haying and 8 consecutive summer camps (from different churches). We went to Calimesti, a health resort with warm healing springs. We stayed in a little wood cabin next to the beautiful pool. We realized: Being able to relax is a gift from God!!!

**Our discipleship school** finished their school year with a mission outreach. We had a really good evangelistic outreach to the village of Felmer.

Children and parents participated – among them a family that started to attend church right away. Last week the lady told us "Had I not met you, I would not be with my husband anymore." He was an alcoholic, often involved in brawls. She had to sell her pig and other valuables to prevent jail time for him. Ever since he started attending church, he is a new person = he doesn't drink, keeps the peace and now they decided to get married. Last Sunday we celebrated a blessing over this young family with two children.

**Our youth** had their own camp together with the youth group from Rosenau and Cuciulata here on our farm. We are grateful to the Royal Ranger team from Senden. They have been supporting us every summer for the last 9 years.

**Our children** were able to attend the Camp organized by people from Rosenau. What a blessing that new children started attending kid's church afterwards.

**In our church** we started the new church season in our leadership team yesterday. We talked and prayed. We rejoice that we are able to start a new home group in Felmer right after the family mentioned above received their blessing. Although we are grateful for growth and unity, we are facing great challenges as well. We realize that the enemy wants to "rob, strangle and kill". **Good to know the ONE who came so we would "have overflowing life"!!!** and we see His **merciful intervention** even in the biggest crises. Thank you, Lord!!!

#### PRAYER REQUESTS:

- **Godly unity** among our leaders and healthy growth among our church members.
- **A healthy balance between hearing God** (personal fellowship) and **working for God** (not activism, but implementing His word led by His Spirit).
- **Practical evangelism and discipleship in our daily lives** (in organic 1 on 1 relationships)
- **The start of our new discipleship school year** (the 2<sup>nd</sup> year, leadership training) September 14<sup>th</sup>-16<sup>th</sup> = our guest speaker will be Gerry Klein, he used to lead the bible school in Bad Gandersheim for many years.
- **Restarting the home groups** – especially the group in Felmer as well as the other groups in town and the villages. We pray for revitalization and for new people to attend and open their hearts.
- **2 married couples who were baptized last year. They left the church**, one couple due to marital problems, the other started loving the world again.
- **Cami, one of our youth leaders. She finished her volunteer year and is now looking for work.** She wants to study psychology, but her grades were not high enough for scholarships. She is now planning to work for a year and try again next year.

**A GIFT FROM GOD:** Is our new white van. Our friend Hadulf bought it from am church in Gifhorn. The church lowered the price from 8000€ to 5000€ and donations even covered the repairs of 1500€. That is an overwhelming miracle of God!!! Glory to HIM and thank you so much to those of you who gave!!!

*Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us, to him be glory in the church and in Christ Jesus throughout all generations, for ever and ever! Amen!!!*

**In His Love**
