“And my God will supply every need of yours according to his riches in glory in Christ Jesus.”

Dear friends,

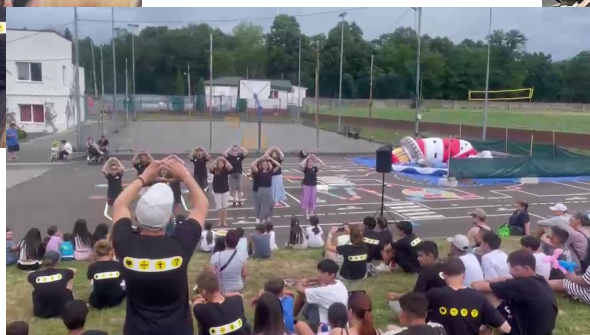

We would like to briefly express our gratitude for the wonderful **experiences we have already had this summer** and also ask for your prayers for the events still ahead.

On June 27, we had the joy of hosting a **wonderful Children's Day** here on our farm. Children from our village as well as from the neighboring village of Felmer attended, all from non-Christian families. A group of teenagers from Braşov prepared the entire event with children's songs, a sketch about the Good Samaritan, lots of games and fun, lunch, and, of course, popcorn.

A team from Braunschweig, together with our co-leaders from the discipleship school in Petrila, helped make the graduation of this year's **discipleship school a true missionary outreach**. For four days, we were able to host two hours of fun activities each afternoon for young and old at the **large sports field in Fogarasch**. Afterwards, we shared the Gospel through songs, a sketch, worship dance, and personal testimonies.

Many people recognized us because they had attended our children's ministry or teen camps when they were younger. We trust that God will bring lasting fruit from these encounters. One woman and her granddaughter have already joined us for a church service.

Arpi

An outreach in Felmer, our neighboring village, where the same team hosted a program for children and parents in front of the old Lutheran church. Afterwards several girls mentioned that they would like to join our teen camp.

Prayer requests:

- **Our upcoming teen camp.** Several young and non-believing teenagers would like to attend, but their families cannot afford the 50€ for 4 days. If anyone of you would like to support a child like that, please mark it = **for the teen camp**

- Next week (July 23rd) we will have an historical event in Fogarasch. For the first time ever **all the churches in our town** will host an **evangelistic event** right in front of city hall, in the middle of the city green at the center of Fogarasch. It is a miracle we received permission.

Our guest speaker will be Christi Boariu, a well known pastor. Please pray for God's protection and His anointing, so the gospel will be well received by the people.

- **Arpi**, Albert's brother (who finished his gap year with us in June, would like to have a year of personal discipleship with Misch starting in September. He is older than Albert, has worked for a year after his Matura and would like to spend a year with God to learn more about his calling. We see a beautiful spiritual development in him. If anyone would like to support him with a small amount every month, please mark it "**for Arpi**".

Our hearts are grateful for your prayers and financial support.

In His love

Misch & Senta Müll
