

**„Praise the Lord, my soul,
and forget not all his benefits“**

Psalm 103:2

July 2026

Dear friends

From middle of June to middle of July I was again in Albania, after more than two years. It was a blessed time and I felt immediately at home. The trip and its preparation were covered by many prayers. The start in the office was easy, since I had been working online in the meantime.

During the first week of July, a summer camp for the children of the program in Pogradec was taking place, organized by a youth group which came from Germany. In preparation of this, we had good communication through the AAC office in Germany, regarding the songs for the worship times in the different languages as there was Albanian, English and German language.

During my stay in Albania, I had the opportunity to go with some colleagues of the Albanian team to Proptisht. There I visited a widow, who isn't able to come to the ladies meetings because of problems with her seeing ability. She was very glad about the visit, and we had a good talk. In the church in Proptisht, I enjoyed meeting again the ladies.

On the last day, right in time, arrived a parcel from Spain. A lady who had sent over the years already many self made items, had sent another parcel, and we were able to give out some of the items and also clothes for some children. Like always, the ladies liked the aprons most.

I am back in Germany, where I will have several appointments, and I am planning to go back to Albania by the middle of September. I am looking forward to minister the widows, and I will continue with translating updates and letters. I thank God from all my heart that He gave me health and strength to serve Him in Albania.

Thank you very much for your faithful prayers and all the financial support.

I wish you a nice summer!
May God bless you!

Christiane
