

A BOUNTIFUL HARVEST OF THANKS

We're entering this season with thanksgiving and praise to God for all the abundant blessings this year! Thank you to all our faithful donors and sponsors who continuously pray and give so generously for all the work being done at Challenge Farm.

Thank you for helping bring smiles to these children's faces - *"A joyful heart is good medicine..." Pv. 17:22*

RESCUED CHILDREN THIS YEAR!

46 new children were rescued this past year. In August, we started rescuing children from the Kiminini Marketplace. So far, 5 children were rescued from that area!

THANK YOU TO ALL THE SPONSORS & DONORS WHO INVEST IN THE CHILDREN AT CHALLENGE FARM.

Your gifts go toward food, clothing, educational expenses, basic medical care and creating a safe place for children to heal, learn, build relationships and grow in the Lord.

Our school motto is "TRUST GOD AS YOU STRIVE FOR EXCELLENCE." We are finishing another year of learning at the Light & Power Center, with 118 community students & a total of 117 Challenge Farm students! Our school is impacting the lives of the next generation.

The launch of the Vocational Training Program this year is now in the internship phase!

NEW BUILDINGS ARE THE PERFECT BACKDROP TO A GREAT GAME OF SOCCER

CREATING A BEAUTIFUL NEW SPACE TO PRETEND & IMAGINE WITH FRIENDS

Over this past year, these organizations and their partners contributed funds to build a Pre-Primary classroom, dining halls for both the girls and boys, a new administrative building and partially funded a boy's mini-dorm in 2025. Their generosity and support are an amazing blessing to the children and staff. These concrete buildings will serve our ministry for countless years, helping children to find hope and healing!

BLESSED IN 2026 & SOWING FOR A CONTINUOUS HARVEST!

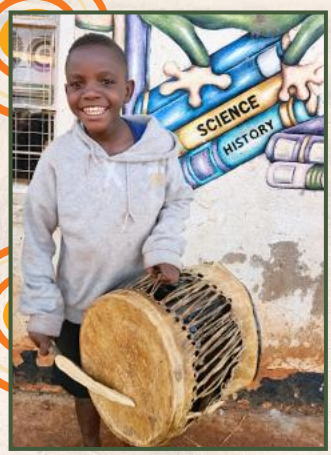

The Agriculture Department continues to produce milk, eggs, and vegetables to sustain daily meals for the children and staff. Production of over **1,641 gallons of milk, 4,768 eggs** (and still counting!) and approx. **3.6 tons of kale have been keeping hands busy and bellies full!**

The 4K Club (similar to 4-H programs in the States) helps students learn practical skills and responsibilities in agriculture that will equip them for their future.

SPECIAL GIFTS & BIG THANKS

Throughout the year, we received special donations that enhanced the children's lives. From new Bibles, musical instruments for Sunday morning worship (drums, tambourines, kayambas), tracksuits and sports equipment, the joy these gifts brought is seen in the BIG smiles on the children's faces!

Thank you!

Thank you to ALL who gave for the beans and corn. We reached our goal to purchase a year's supply of each. Thank you, Church 3.0, for providing the rest of the funding so we could make the purchase!

WITH HEARTFELT GRATITUDE, WE SAY
SHUKRANI NYINGI - MANY THANKS
TO YOU, OUR FAITHFUL DONORS & SPONSORS!
