"DEFEND THE POOR AND THE FATHERLESS; VINDICATE THE AFFLICTED AND NEEDY. GRANT ESCAPE TO THE ABUSED AND THE DESTITUTE..." PSALM 82:3-4A

We most always share pictures of smiling kids, but when the kids come to the Farm their faces tell a different story. You can see the hurt, the fear, and mistrust in their eyes. Sometimes, even their little bodies tell their stories...

"On 19th April 2023 at around 4:30pm, Social work Department received a call from the Children's Department office in Kitale to go and pick up two children who had been rescued from a case of assault by their parent...

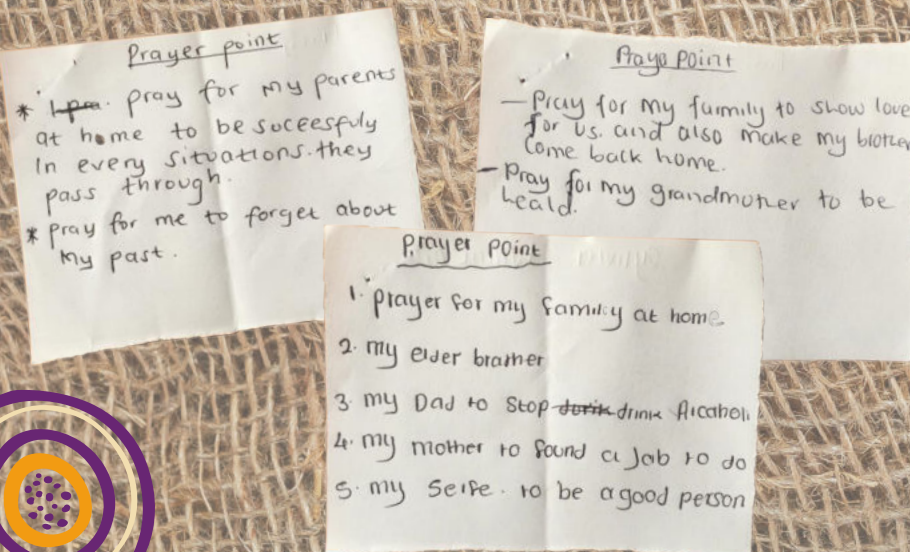

Upon arrival at the Children's Department, the children looked in need of proper care and protection. They had fresh wounds all over their bodies that were terrifying to look at. The wounds had been inflicted by their own biological father. The little girl, around the age of 6, had a burn wound on her leg. The children were also malnourished, traumatized, and needed every care that could be given to them.

They were admitted to Challenge Farm where they will be assured of holistic provision for their basic needs, and healing for their tender souls. It hurts to see the state of these children when they arrived at the Farm. Indeed, we have received many cases, but this case was traumatizing to see. The world can be cruel, but I believe this shouldn't be extended to young tender souls.

Please pray with us for this mission. God is our healer." – Magdalyné

PRAYER NEEDS FROM THE KIDS

In a recent Bible lesson about Nehemiah, the kids learned that just as he had turned to God in prayer when he heard about Jerusalem's walls, they can also turn to God. We asked the children to write their prayers so we could pray for them, but they didn't need to include their names. (Some are more inclined to share openly this way)

ORAL ROBERTS UNIVERSITY STUDENTS AND ICC NAIROBI (INTERNATIONAL CHRISTIAN CENTRE) CULTIVATE TEAM VISIT THE FARM!

What a blessing to host the students from ORU and ICC Nairobi for 5 days! The Challenge Farm children and staff had a great time with the team. The students spent time interacting with the kids ~ playing soccer (even in the rain!) and other games, dancing, teaching Bible stories, and they also helped in the kitchen and weed our vegetable gardens. Thank you for visiting, ORU and ICC and for all you did!

One of the students wrote: "The team left so encouraged by the heart of God that is so evident in this ministry."
